Training Modules

Legal Foundations for Media & Music

Practical legal training for creators, artists, and media businesses operating in regulated content environments.

Built for musicians, labels, studios, and media teams navigating UAE media and advertising regulations. Focused, real-world sessions covering contracts, licensing, IP, and platform compliance to protect creative output, revenue, and reputation.

Regulatory awareness & monetisation integrity

Understanding UAE media, advertising, and content regulations that govern music, publishing, distribution, and public-facing activity. Focused on licensing boundaries, content standards, censorship rules, and disclosure obligations across platforms and channels.

Commercial & contractual confidence

Building practical knowledge around contracts, sponsorships, licensing deals, and IP ownership. Designed to help media and music professionals negotiate effectively, protect rights, and structure commercial relationships with clarity and control.

Risk, reputation & crisis readiness

Preparing media and music businesses to manage disputes, takedowns, negative publicity, and regulatory scrutiny.

Covers reputational risk, crisis response principles, and decision-making under pressure in public-facing environments.
